

Ranch Rules for the BLM Cross Bar Management Area
2017 Texas Parks and Wildlife White-tailed Deer Draw Hunt

- The only species open for the 2017 TPWD draw hunt is white-tailed deer.
- Drawn hunters must hunt in their designated hunting unit throughout the duration of their approved hunt.
- Ranch boundaries, outlined in provided maps, must be adhered to as the Cross Bar is surrounded by private landowners.
- The only legal public access to the Crossbar is via hiking in from the Canadian River. Therefore, access for the draw hunts will be by foot through the Canadian River.
- Overnight camping is allowed in designated camping areas.
- Campfire usage will be determined at the time of the hunt, as weather conditions constantly change.
- Hunters must pack out what they pack in. No trash should be left behind and spent brass should be picked up when possible.
- Harvested animals must be reported to the Cross Bar Manager and/or the TPWD Regional Biologist. Contact information will be provided after names are drawn.
- All TPWD hunting rules and regulations must be strictly adhered to.
- It is the responsibility of the hunters to have all proper hunting licenses and hunter's education before the hunt.
- Youth hunters must be accompanied by an adult.
- All observed illegal activity must be reported to the Cross Bar Manager, the TPWD Regional Biologist, or the county Game Warden.
